

VOTE “NO” ON PROP 1

PROPOSITION 1 would amend the California Constitution to guarantee the right to unrestricted abortion during all 40 weeks of pregnancy, resulting in the legalized abortion of a healthy viable baby up to the moment of his or her birth.

Late-Term Abortion is Cruel and Extreme

DON'T BE FOOLED!

Supporters of Proposition 1 are telling voters that the proposition does not ensure unrestricted, late-term abortion. However, without defined limits in the text of the proposition, there are no limits.

ENTIRE PROPOSITION 1 TEXT:

“The state shall not deny or interfere with an individual’s reproductive freedom in their most intimate decisions, which includes their fundamental right to choose to have an abortion and their fundamental right to choose or refuse contraceptives.

This section is intended to further the constitutional right to privacy guaranteed by Section 1, and the constitutional right to not be denied equal protection guaranteed by Section 7. Nothing herein narrows or limits the right to privacy or equal protection.”
